

Veruska Muccione, Senior Scientist, Department of Geography, University of Zurich (Lead author to IPCC AR6 WG II chapter “Europe” and cross-chapter “Mountains”)

Prof. Dr. Georg Kaser, Univ. Prof. for Climate and Cryospheric Research (retired), Institute of Atmospheric and Cryospheric Sciences, University of Innsbruck (Lead Author to IPCC AR4 and AR5, Review Editor in IPCC AR6)

The webinar will take place on **Wednesday, 20 July 2022, 10.00-12.00, online (Zoom)**.

Check our website for updates on the webinar programme:

<https://alpineclimate2050.org/news-events/>

You will find more information about the Alpine Climate Board, our aims and the implementation pathways by following the link www.alpineclimate2050.org or visiting the [website of the Alpine Convention](#).

The webinar is free of charge. **Please register [here](#) by 9 July 2022**. Due to the EU General Data Protection Regulation, registration is only possible using this form. You will receive the Zoom link prior to the webinar.

Please do not hesitate to get in touch with Cornelia Jäger from the Austrian Ministry for Climate Action (cornelia.jaeger@bmk.gv.at) if you have any questions.

Representatives of all sectors of activity in the Alps and from local to national and cross-border level are invited to participate. Please share this invitation with your respective networks. Thank you!
